The Pope Is A Joke by Charlie Poet 2/13/19

Why are grown men in dresses kissing each other on the lips in front of 170,000 people? This photo, taken from journalist Pamela Geller's website <https://gellerreport.com/2019/02/pope-kisses-jihad.html/> is a fitting example of what men have become, girls. Are we supposed to take these clowns seriously because the Pope is a joke, they all are. It's a shame the masses, or sheeple, as many call them, fall for these charades. They mean serious business too that affect **BILLIONS** of lives, virtually everybody.

End of the American Dream writer Michael Snyder's in depth article

<http://endoftheamericandream.com/archives/the-pope-and-islams-most-important-imam-just-signed-a-covenant-that-pushes-us-much-closer-to-a-one-world-religion> provides the

answers to what these new world order illuminati clowns are up to. They signed a document, a **DECLARATION**, remind you of anything? Wasn't it a big deal when *We, The People*, signed the **DECLARATION OF INDEPENDENCE**?

<http://www.ushistory.org/declaration/document/index.html> Big changes occurred after that didn't it, including war. Well these religious leaders have plans for the entire world, not just America.

Snyder writes: *In essence, this is saying that it is the will of God that there are hundreds of different religions in the world and that they are all acceptable in His sight. We know that the elite want a one world religion, but to see the most important clerics from both Catholicism and Islam make such a dramatic public push for it is absolutely stunning.* The article contains the entire "NEW WORLD ORDER" declaration and it's cunningly dreadful, another trick by the wolves in sheep's clothing.

In Heather Clark's article from *Christian News*

<https://christiannews.net/2019/02/08/pope-fr> she quotes the pope "*The pluralism and the diversity of religions, color, sex, race and language are willed by God in His wisdom, through which He created human beings,*" the document reads. "*This divine wisdom is the source from which the right to freedom of belief and the freedom to be different derives. Therefore, the fact that people are forced to adhere to a certain religion or*

culture must be rejected, as too the imposition of a cultural way of life that others do not accept.” This well worded statement of trickery is blasphemy to Christians, we will not adapt to what you say, pope of pagans and sorcery, we follow the Holy Bible. The word of God and the word of God only.

Writer Robert Spencer for *Jihad Watch* quotes pope francine in his article <https://www.jihadwatch.org/2019/02/pope-christian-and-islamic-worlds-protect-common-values-life-family-religious-sense-honor-for-the-elderly> “*The pope called the trip “short but very important,” declaring that it represents “a new page in the history of dialogue between Christianity and Islam and in the commitment to promote peace in the world on the basis of human brotherhood.” Aren’t the freemasons a “brotherhood.” Forget about it the pope is a joke!*”
