

**THE END** by Charlie Poet [charliecanfly.wordpress.com](http://charliecanfly.wordpress.com)

I used to love The Doors theatrics before I knew what Jim Morrison meant when he screamed “*I am the lizard king, I can do anything,*” into his microphone. The lyrics come from a long poem-song called “*The Celebration of the Lizard.*” Their knockout live performance in New York City can be heard here: <https://www.youtube.com/watch?v=EDbQ7zyEp2s> here are the lyrics: <http://www.songlyrics.com/the-doors/celebration-of-the-lizard-lyrics/> they are

profound.

So what was Jim really saying, what did he mean? As drinking teenagers in the early 90's I assure you my rowdy friends and I had no idea, we just screamed along with the self proclaimed reptile that we were lizard kings too! But now I do know what Jim meant and it ain't pretty. In fact, it's downright satanic.

How many of you have heard of lizard people, or Reptilians?

<https://en.wikipedia.org/wiki/Reptilian> The number is growing. For years there were rumors about it, and Jim sang about it, but what are lizard people? Do they exist? The answer is yes.

Lizard people are satanists, or "Luciferians," as they prefer. There are an estimated 14 million "lizards" in America alone

<https://www.quora.com/How-many-people-in-the-USA-identify-as-Satanists> Jim Morrison was

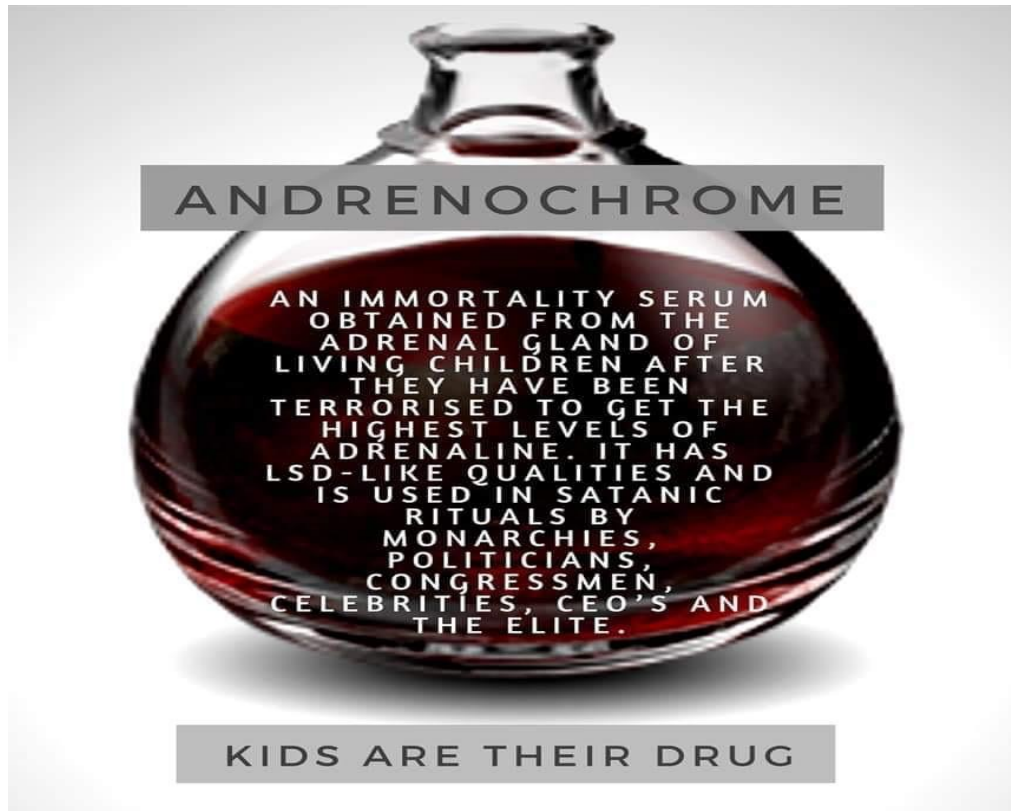

singing he was king of his people. We of course know them better as freemasons, witches, warlocks, the ruling class, the elite, members of “secret societies.”

So what are these rich lizards keeping secret from us? It’s finally becoming clear. Not only do they worship satan, as our neighbors, and walk amongst us as if they are decent people who love us; they steal our children, rape them, torture them, and kill them.

Was Jim Morrison a killer? Probability says YES. Or at least he attended/participated in satanic ritual abuse (SRA)

<https://www.equip.org/article/the-hard-facts-about-satanic-ritual-abuse/> after all, it’s a family tradition. We know his father was a high ranking admiral in the US navy, we know he married a self-proclaimed witch in a wiccan ceremony. We know he did a lot of drugs, we know Hollywood, forty-eight years after Morrison’s death, is overflowing with satanists, and we know they molest and cut children and drink a cocktail of blood. It’s a cocktail because it is infused

with adrenochrome. <https://en.wikipedia.org/wiki/Adrenochrome>

Adrenochrome is oxidized, adrenaline laced blood from torture. It's very expensive to buy, even for the rich, so they just kidnap and kill our children instead. As a born again Christian I know one thing, Jimbo: lizards burn in hell. THE END
