THE STRONGEST WITCHES by Charlie Poet 2/14/19

Yes, this is your real life and witches are in the headlines again:

<https://www.sheila.media/witches-vs-trump-empire-of-the-strongest-witches-perform-circle-of-power-ritual-hex-president/> They call themselves “**Empire of the Strongest Witches**” this time

performing what many call “white witchcraft,” rituals to “HELP,” and to help none other than Russian President Vladimir Putin. Watch the ritual via **Russia Today**:

<https://www.rt.com/russia/450823-witches-circle-putin-russia/>

Newsweek reports on the Russian witches and reminds us last summer American witches created a “magic resistance” of up to 1.5M people cursing Trump and now SCOTUS Kavanaugh <https://www.newsweek.com/witches-back-putin-against-trump-1321266>

Witches create a “**circle of power**” to perform their rituals, and if you google the words, a 1981 film produced by Anthony Quinn pops up about evil corporate power as employees undergo “executive development training” sounds like **running the gauntlet** https://en.wikipedia.org/wiki/Running_the_gauntlet through witchcraft, torture, and sorcery: https://en.wikipedia.org/wiki/Circle_of_Power like a skull and bones initiation <http://www.secretsocietieswebsite.com/skull-and-bones-rituals/> it’s all so ridiculous but it’s not going away. Not in our lifetimes, my friend.

Remember what George “baby bush,” said after 9/11 to launch his “anti-terrorism” campaign; “Either you are with us or you are with the terrorists.”
https://en.wikipedia.org/wiki/You%27re_either_with_us_or_against_us Well, witches may work for presidents but they are the terrorists and we Christians are surely against those lost souls.

Let me remind you, and maybe introduce you to, **THE STRONGEST WITCHES. THE STRONGEST WITCHES** are not witches at all, they are **ANTI-WITCHES**, they are **WOMEN OF GOD**, and they are the most powerful women on earth. These are female superheroes. They will help you get to Heaven. Amen. Pay attention.

First is anti-witch **Sheila Zilinsky** <https://www.sheila.media/>. Through her youtube channel and website I have learned so much about witchcraft and how to defend myself from it, and to understand it. Praise God and Amen to you, Sheila. Knowing how witches operate has truly benefited me. Thank you.

Sheila has amazing anti-witch guests too that teach how to wear the full armor of God. **Dr. Erica Shepard** <http://www.spiritualwarfareteam.com/sc.html> did two incredible anti-witch shows last summer I encourage you to listen and learn: https://youtu.be/WQKbl_T41ro
<https://youtu.be/OIRcCBR3RF0>

On this episode <https://youtu.be/5-S1rczu60> Sheila has **Sharon Mulkey** on who teaches about the Incubus and Succubus, very important anti-witchcraft stuff people, please listen.

Carla Butead teaches wonderful anti-witch lessons on youtube and I heard of her through Sheila as well: <https://youtu.be/z1PGwFgwuog>

These women are the strongest witches because they are NOT witches at all. They destroy witches, and teach us how. Listen to them, right now, they will change your life.
